# Work + Shop = Workshop

## Shopping

- lots of examples
- big picture discussion (pedagogy, curriculum)
- sources for more materials, examples, etc.

## Working

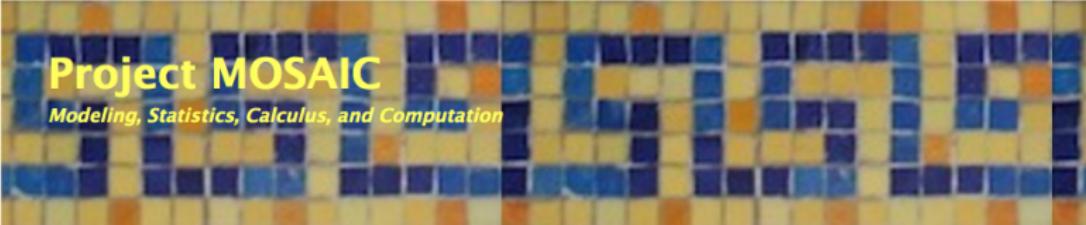

- time each day for you to work on your own stuff
- We hope everyone will have at least one thing (class demo, student project assignment, curriculum revision, test problems, etc.) to report on Friday.

## All Work and No Play ...

- Nature Preserve, Running Trails, Athletic Facilities
- Mall – 0.5 to 0.75 miles South on the Beltline
- Wednesday afternoon/evening – On your own options
  - Lake Michigan?
    - 45–60 minute drive
    - need approx. head count to arrange transportation
  - Other interests?
- Thursday evening – Picnic Pops
  - We need to order tickets and meals by 9am tomorrow.
  - Sign-up tonight or first thing tomorrow.
  - Full Program available online
